A unique perspective and touching story.

In November, Cuddle My Kids received an amazing letter from a local 7th grader that truly impacted our entire organization. Her kindness, wisdom and compassion inspires and encourages us to reach out to more families.

Dear Cuddle My Kids,

My name is Madison McEntee and I am a 7th grader at Waldron Mercy Academy in Merion Station, PA. In school, I did a project on Breast Cancer Awareness Month.

I have two aunts that have had breast cancer and my mother and grandmother are both two time breast cancer survivors. During October, I went to every classroom from

third through eighth grade and let them sign a pink ribbon poster. In order to sign

the poster, they had to donate at least twenty-five cents. Many people gave much more.

Waldron Mercy raised a total of \$325.00!

I looked for places to donate the money. I would like to donate the money to Cuddle

My Kids. While my mom was going through treatment the first time, I was only

three years old. She would have loved it if someone would have come in and she could

have gotten rest. It would have been fun for me too. I know what it feels like to have

my mom go through this, and I hope that this money will make a difference in a

child's life. I hope that in the future I will be able to raise even more money for your cause.

Sincerely,
Madison McEntee
